About This Game

You are locked in a dungeon prison of a powerful demon called Atiza, with no memories and a book that gives you magical

powers called Bookania, you will try to avoid breaking the seal that keeps the demon asleep in a quick classic RPG adventure but without towns, people, weapons, stores and with only your book

--You can change the language in the options menu before starting a new game or during the game.--

Key Features:

- A quick adventure inspired by the titles of "Megaman"
- Select the level you wish in any order and you will discover the true form of the final bosses.
- System of battles 1 against 1.
- Animated Bosses with DragonBones and the wonderful art of Ækashics.
- Classical RPG action, total control of abilities and levels.
- 3 endings that will help you reveal the dark history.
- Secret areas and bosses.
- Full support for Xinput controls, including the XBox 360, as well as keyboards!
